

Greyhound Pets of America/Emerald Coast (GPAEC) is holding our Seventeenth Annual *Hound Dog Howliday* on April 27 - 30 2017. Howliday is a 4-day celebration of greyhound adoption and is our largest fundraising effort. This year, people from throughout the US and possibly Canada will attend our *Big KaROOna* event with a luau theme.

Our mission is to place retired racing greyhounds into loving pet homes. GPAEC takes the responsibility for each greyhound's health needs before being placed in homes. These needs include, but are not limited to, physical checkup, spaying/neutering, vaccinations, dental cleaning, and heart worm, flea and tick preventative medications. **These costs alone average \$200 per animal!** Adoption fees are kept at competitive rates (to promote adoption), and only cover part of these costs for each dog. The rest of the costs are offset strictly through donations and fundraising events. GPAEC not only finds local homes to place our retired greyhounds, but also transports large numbers of dogs to groups in states that do not have race tracks. Last year we moved over 350 greyhounds to homes and groups throughout the United States and Canada.

It is our hope that you will help us meet our funding goal by pledging to be a sponsor of our 2017 *Hound Dog Howliday*. We are offering several levels of sponsorship, so everyone can find a comfortable level. **GPA/EC is an approved 501C3 charitable organization;** thus all donations are fully tax deductible as allowed by law. **If a monetary donation isn't possible, please consider a product donation at an appropriate level.** Please review the pledge levels, choose the most appropriate for you, and join us in our efforts to find every adoptable greyhound a "forever" home.
